

The Washoe County Republican Party has recently revamped our offices! We have our main office- where the Chairman, Vice Chairman, Secretary, and Treasurer all sit at their own personal desks. We also have additional desks and tables for our volunteers and guests to sit at comfortably. Next door to our main office, we have our second space which is informally known as the Call Center. Our phone bank can accommodate up to 30 volunteers and interns to make calls and do outreach work. We are in a convenient location- right around the corner from offices of both the Heller campaign and the Laxalt campaign. If you have not come by yet to visit us, we would love to give you a tour! We are located at 3652 S. Virginia Street, Suite C-8.
